

Barb Proper Retirement Party Wednesday, October 14th 3-5pm at the Adams COA

Join us as we honor Barbara Proper on her 11+ years as the Adams COA Outreach Coordinator. Barb's last day in the office will be Sept 30th, then we call her back in on Oct 14th to celebrate her. Light refreshments will be served, some tears and laughter will be shared, and our community's immense gratitude for Barb's years of service will be felt. We'll be passing cards around the center for the community to sign, or feel free to mail or bring your own card to be given to Barb, as we wish her the best on her well-earned retirement!

National Senior Center Month

Happier Birthdays
don't start with
candles or cake—
they start with
connection,
purpose, support, and
community.

You'll find it
all at your
senior center.

Happier
Birthdays
Happen
Here

Senior centers are deeply rooted in our communities—At our core, we bring together the resources, relationships, and opportunities that help people stay healthy, connected, and engaged. The impact goes beyond individual programs—it's about strengthening lives and communities over time. We:

- Create welcoming spaces for connection and community
 - Provide programs that support physical and mental health
 - Connect people to benefits, resources, and critical services
 - Offer opportunities for learning, creativity, and engagement
 - Support caregivers and families
 - Help people stay connected in an increasingly digital world
 - Strengthen individuals and communities.
- ⇒ People feel more connected and less isolated.
⇒ More people stay active and engaged in daily life.
⇒ Older adults gain access to resources that support stability and independence.
⇒ Participants build confidence, relationships, and a sense of belonging.
⇒ Caregivers and families have stronger support systems.
⇒ People live healthier, more independent lives.
⇒ More people are able to age well—on their own terms.

Every year becomes an opportunity for growth, connection, and well-being. This is how senior centers help turn everyday support into healthier, more connected—and happier—years.

Housing Rehab is in Savoy!

On behalf of the Town of Chesterfield, MA, Hilltown CDC is submitting an FY25 Community Development Block Grant (CDBG) which will include the Town of Savoy. They are currently accepting applications for the Housing Rehab Program in Savoy. The program is designed to address building and sanitary code issues for single family homes in town, via a deferred payment loan, meaning no monthly payments and no interest. Loans are forgiven over a 15 year period. Repairs can include septic/ well issues, lead paint/asbestos removal, heating systems, electrical, plumbing, roofing, chimney repair, accessibility ramps, and other accessibility issues. Applications are available at the Savoy Town Hall/Library. They can also mail and email applications. Please request one by calling Ann Marie Perrone 413.296.4536 x112, or by emailing annmp@hilltowncdc.org. Hilltown CDC has been administering the Housing Rehab Program for 30 years and has rehabbed close to 1,000 single family homes. Funding is contingent upon HUD/CDBG grant award.
